

COMPLETE CABLING EQUIPMENT (PTY) LTD

6 TON CABLE DRUM TRAILER

CCE is a registered vehicle manufacturer. This ensures that all trailers manufactured are roadworthy and pre registered. This allows our customers to license their trailers anywhere in the republic. Our range of cable drum trailers and industrial trailers are registered and approved by the SABS as well as the NRCS. CCE only use approved SABS components to ensure quality and conformity with National legislation. Trailers are manufactured on order only and a standard lead time of 4-6 weeks is applicable for this trailer.

The above trailer can be fitted with an optional drum breaking system. Diesel motors can also be fitted to assist with speed in loading and unloading procedures. This is only recommended for high volume operations.
